NANOUP TAKE: Nanofluids Market Uptake

"Gheorghe Asachi" Technical University of Iași was at the event, financed by HORIZON 2020 (24 - 29 October 2018) called NANOUP TAKE: Overcoming Barriers to Nanofluid Market Uptake.

The event was held by Universitat Jaume I and took place at "Gheorghe Asachi" Technical University of Iași. It is a full member of the COST Action CA15101, coordinated by Adriana MINEA (from the Faculty of Materials Science and Engineering) as dissemination coordinator of this COST action.

The major event was composed of three important events: Management Committee meeting, Working Groups meeting and the first Training School. At working group meetings, "Gheorghe Asachi" Technical University of Iași was represented by prof. dr. habil. ing. Alina Adriana Minea (Faculty of Materials Science and Engineering), șef. lucr. dr. fiz. Simona Băcăiță (Department of Physics from "Gheorghe Asachi" Technical University of Iași) and asist. univ. dr. ing. Răzvan Siviuc Luciu (Faculty of Civil Engineering and Building Services). Moreover, "Gheorghe Asachi" Technical University of Iași sent to the Training School a number of 4 students at doctoral and master studies.
