It is in line with the process flow described in the official guidelines (see: <https://www.cost.eu/wp-content/uploads/2018/11/Inclusiveness-Target-Countries-Conference-Grants-userguide-V2-003-Oct-2018-1.pdf>). The selection of the applications with funding support will be performed following the steps below:

The applications should be submitted to the NANOUP TAKE's ITC Conference Grants Coordinator. After the end of application process, they will then go through the review and pre-selection process. In order to ensure quality and alignment with the Action, the Assessment Panel (here: Action Chair or Vice-Chair, Working Group leaders or vice-leaders and the ITC Conference Grants Coordinator) will evaluate them based on the quality and eligibility of the conference, and quality of contributions in the paper and their relation with the objectives of the Action. The evaluation will be conducted within one week. The results from the assessment panel will rank the proposal, if positive and if requested budget is lower than available budget, the proposal will be granted.
3. Successfully pre-selected candidates will be asked to submit the application using e-COST (see: <https://www.cost.eu/wp-content/uploads/2018/11/Inclusiveness-Target-Countries-Conference-Grants-userguide-V2-003-Oct-2018-1.pdf>).
