TUIASI participation at 4th CORE GROUP MEETING (CA15119) and STRATEGIC MEETING WITH INDUSTRY organized in an international COST project

by Constanta Pravat | Published February 5, 2019

„Gheorghe Asachi” Technical University of Iași participated on 1st of February 2019 at the University of Birmingham – UK at the Fourth Core Group Meeting and First Strategic Meeting with Industry organized in an international COST project (financed by HORIZON 2020). This project, where the university is a partner, is called NANOUP TAKE: “Overcoming Barriers to Nanofluids Market Uptake”.

Both events were hosted by The Chemical Engineering Department, University of Birmingham and took place in United Kingdom. „Gheorghe Asachi” Technical University of Iași is a full member of the Core Group and Management Committee through prof.dr.habil. Alina Adriana MINEA (from Faculty of Materials Science and Engineering) implication in the project, also as dissemination coordinator of this COST action.

Nanouptake (Overcoming Barriers to Nanofluids Market Uptake: <http://www.nanouptake.eu/>) is a COST Action that aims to strengthen the scientific coordination and collaboration of the network of leading nanofluid R + D + i centers and industries to develop and foster the use of nanofluids as advanced heat transfer/thermal storage materials to increase the efficiency of
