Castelló, Spain
26th, 27th, 28th
June 2019

1st International Conference on Nanofluids (ICNf2019) and 2nd European Symposium on Nanofluids (ESNf2019)

Almost 200 international experts from over 42 countries debated the most innovative nanotechnology tools to fight global warming and climate change at the University Jaume I (UJI), Castelló, Spain, from the 26th to the 28th of June of 2019.

Management Committee 5

16 countries were represented in the **MC Meeting 5** that took place during the 1st ICNf at the University Jaume I in Castelló, Spain, the 28th of June of 2019.

These countries were: Belgium, Bosnia and Herzegovina, Denmark, France, Germany, Greece, Israel, Italy, Netherlands, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Turkey and United Kingdom.

Additionally, Fatima Bouchama, Nanouptake COST Officer, attended the meeting to explain the last news from COST Actions.

Working Group Meetings

During the 1st ICNf and 2nd ESNf two Working Group meetings took place.

Health and Safety

The [Report about nanofluid's health, safety and environmental impact](#) was presented during the Nanouptake Working Group Meeting on Health and Safety that took place on the 26th of June.

Industry

The Nanouptake Working Group Meeting on Industry took place on the 27th of June with the presentation of the [Report about industries perspectives on nanofluids market uptake](#).

STSM 4th Grant Period

The submission deadline for the 2nd Call for Short Term Scientific Missions (STSM) of the 4th Grant Period is the 14th of October of 2019. Rules are available on our website:
